Chalet Nanoq is a semi-detached chalet located on the sunny slopes of La Salle village. This contemporary chalet offers a fresh take on mountain architecture combining traditional materials such as larch wood with sleek modern lines and large panoramic windows with stunning views of the resort.

Nanoq successfully blends mountain styling with contemporary design.

Soak up the Serre Chevalier sunshine on the terrace which is sheltered from the wind and has a large outside table.

The chalet is surrounded by nature, with great slopes for sledging. Children will enjoy playing outside in freedom.
